

REMARKS

Applicants are entering the national stage in the United States under 35 U.S.C. 371 of international application no. PCT/BE2005/000042. This Preliminary Amendment amends the specification to indicate that the corresponding international application PCT/BE2005/000042 was published in the English language under PCT Article 21(2). Claims 1-24 are cancelled. New claims 25-48 do not incorporate multiple dependencies, and they are believed to be in better form for U.S. examination.

After entry of this Preliminary Amendment, claims 25-48 will be pending in this application.

Entry of this Preliminary Amendment prior to calculation of the filing fee is respectfully requested.

Respectfully submitted,
